SCHEDULE "A DAY AT THE ZOO" **Envelope Inside Back Cover**

NOTES FOR THE SHOW DESCRIPTION:
Maximum of 300 words
Title, size, scope, type of show, theme, staging, and special features

SHOW DESCRIPTION - "A DAY AT THE ZOO"

The fun theme of this NGC Standard Flower Show inspired 95% member participation. Life-sized giraffes built by members towered to the Lemon Bay clubhouse roof at the entrance. The porch featured a zoo ticket window with a "Free Today" sign. Guests enjoyed popcorn and lemonade while strolling the club gardens. The zoo theme was carried through the schedule titles, the custom show logo, signage, and staging.

The Design Division of 3 Sections, 36 entries included classes of Petite, Invitational and Functional Tables, and Creative Design types as well as a Novice Class to encourage participation by members who had never entered a flower show. Exhibits were staged on rectangular tables and pedestals draped in black fabric by the Committee. The exhibits in one of the three petite classes were displayed on the wall under a "jungle tree".

The Horticulture Division included 18 Sections, 201 entries. Cut Horticulture (125) exhibits were staged inside the clubhouse on tiered tables draped in black fabric and on a long counter-height cabinet faced with zebra print fabric. Container-grown horticulture exhibits (76) were staged on wooden benches in the shade house. Boxes wrapped in zebra print were used to elevate exhibits.

Education Division exhibits (4) staged on tables draped in black fabric showcased NGC objectives. Botanical Arts Artistic Crafts Exhibits (3 Classes, 12 entries) were staged on a bamboo screen, a tiered table draped in black fabric or a black velvet oval.

All 14 NGC Top Exhibitor Awards offered were awarded.

Classes from a local elementary school exhibited invitational horticulture. Framed student drawings of favorite zoo animals were displayed in the garden gazebo - "GaZOObo Gallery".

A plant sale was held during the show. Hundreds of plants propagated by members and zoo animals painted on palm spathes were sold to supplement the club flower show budget.

Sansevieria

Colorful containers purchased at Dollar Tree.

PUBLICITY

Pre-show publicity included articles in both local newspapers, the *Englewood Sun* and the *Englewood Review*. There were posts on the Club and District web sites, the club Facebook page, and the Chamber of Commerce billboard. An e-mail flyer was sent to all District club presidents and to club members for further distribution. Over 500 flyers were handed out at the Englewood Farmer's Market on the two market Thursdays before the show.

Post-show publicity in the *Englewood Sun* included a glowing description of the show and a list of all awards with exhibitor names. The *Englewood Review* featured a photograph of the blue-ribbon Club Novice Award winner with her Exhibition Table Design.

NOTES FOR PUBLICITY PAGES OF THE BOE:

INCLUDE COPIES OF PUBLICITY DOCUMENTS:

There should be a minimum of one kind of pre-show publicity. Local (City/County) newspaper publicity preferred but not required. Publicity following the show could also be included.

Examples: Flyers, posters, screenshot of Facebook page, scripts/schedules from a radio/TV broadcast.

Include source name and date/s.

Document may be photographed and inserted into a text box.

Documents may be reduced in size to fit on the page.
