**“Worlds of Wonder”
2021-2023**

Welcome to the Book of Information. If you are looking at this book it means that you are a leader in the garden club world. You have stepped up as a Florida Federation of Garden Club Board member, Tri-Council, Florida Flower Show Judge, District Director, and/or a club or circle President. I thank you, more than you can imagine, for your service.

All the information found in this BOI, and more, is also found at ffgc.org. Take a few moments to become familiar with this book. There is so much great information within it. Be a detective and enjoy the WOW moments as you read the names of your Executive Board, Former Presidents, and District Directors, titles to Board positions, garden club names and number of members. It really is a fun read.

Count on there being corrections that will need to be made. All corrections can be sent to ffgc@ffgcmail.com with “BOI Correction” in the “Subject” line. Be specific with your corrections. We will make corrections in blue as they come in. It would be advisable to check ffgc.org once a month and make corrections in our hardcopy BOI also with blue ink. You know our fingers are good at hitting the wrong keys, so have patience, inform us, and we will make the changes.

Marjorie H. Hendon
2021-2023 President
Florida Federation of Garden Clubs, Inc.

COLLECT

FLORIDA FEDERATION OF GARDEN CLUBS, INC.

The Florida Federation of Garden Clubs acknowledges the blessings members enjoy at the hand of the God of all gardens. We believe effort expended in conserving our natural resources, preserving our horticulture heritage, protecting the environment and training youth in these and related fields is but a small token we pay for the privilege of occupying space on earth.

Garden clubbing is a great exponent of give and take. In sharing what we grow, know and show, we make it a heartwarming, rewarding way of life. In beautifying the landscape as envisioned by our founding members and participating in community development, we seek favor in the sight of God and mankind.

All gardens have been cherished since the Master Gardener created the first in Eden. In them we find the bliss of growing, the glory of achievement, the splendor of creative beauty and, more importantly, the tranquility that permits hearing our Creator's voice and drawing strength from Him ... today, tomorrow and always.

Mrs. Melville Hall, Zephyrhills
