My design is an example of the following:

- | | |
|---|--|
| <input type="checkbox"/> Mass Design in the Traditional Manner | <input type="checkbox"/> Creative Mass Design |
| <input type="checkbox"/> Reflective Design | <input type="checkbox"/> Spatial Thrust Design |
| <input type="checkbox"/> Abstract Design | <input type="checkbox"/> Mono-Botanic Design |
| <input type="checkbox"/> Exploration – Freedom of Style | |
| <input type="checkbox"/> Exhibition Table with a Completed Decorative Unit | |
| <input type="checkbox"/> Functional Table – describe the type you are doing – | |

We really liked being able to photograph an entire table for the Functional Table Designs. Photography of the entire table can be tricky, but we want to try this again and need your help.

We would like to see if we can photograph a “Buffet Table” using a 6 foot X 30” table. If you are up to it, submit your design.

We would also like to photograph a “Table for Two” on a “high top” table - one like you might be find at a bar or reception. If you have any other ideas for doing “smallish” Functional tables – let us know.

Alfresco Table on “low staging” – tell us about your staging.

What are your plant materials? Give botanical name if possible.

Describe the man-made components used (if any).

Describe the mechanics used to make the design.

Describe creative design techniques you might have used. If you know who made the container or sculpture (if used), let us know. Give any other interesting information about your design.

Send completed form with photo of design to Janice Hamlin, Hamwoman@aol.com. We prefer all pictures be submitted via e-mail.
