INSTRUCTORS

Pam Braun, Horticulture

A garden club member for over 40 years, Pam Braun is currently a member of Leipers Fork Garden Club, which she founded in 2004. She is the TN District II Director and a board member for the TN Federation of Garden Clubs and Deep South Garden Clubs, Inc. She is an NGC accredited master flower show judge, an NGC horticulture, flower show procedure, and symposium instructor, member of numerous plant societies and judge for four of the societies. She specializes in exhibiting collections and displays of numerous different plant groups and has won numerous top exhibitor awards for her horticulture. Besides horticulture, she enjoys floral design and has been a speaker, leader of workshops, or exhibitor at all levels from district to internationally. She has enjoyed growing plants all her life and the plant material she uses for both designs and instruction often comes from her own garden or indoor plants.

Janice Hamlin, Design

Janice Hamlin has lived in Florida since early childhood and has always loved “all things natural.” After attending a series of FFGC Floral Design Study Classes, she joined Manatee River Garden Club and became active in flower shows, rising to becoming an NGC Flower Show Judge and Design Instructor. She also serves as an NGC Flower Shows Accrediting Chairman and is a member of CFAA and Florida State Florists Association. She has exhibited at World Flower Shows in Boston, Dublin, and Barbados, and loves to teach and demonstrate.

Janice enjoys bicycling and looking for interesting “yard-kill.” Husband Curtis supports her hobby and the many hours she spends braiding and weaving. He has nicknamed her “Twisted Sister.”
