INSTRUCTORS

Jan Griffin, Horticulture

Jan Griffin is the immediate past FFSJ President, was the Horticulture Chairman for the 2018 State Flower Show and is the Horticulture Chairman for the 2022 State Show. She is a Master Flower Show Judge, a Floral Design units' instructor, and a newly approved NGC symposium instructor in Horticulture. She has served on the Florida Federation Board of Directors in many capacities including Recording Secretary, Corresponding Secretary, District Director, and Awards Chairman. Jan has given many horticulture programs and has written several programs for teaching both design and horticulture. One of her favorite past-times is working in her friend's florist shop creating beauty for others. Her theory for all designers is that you need great horticulture for great design.

Penny Decker, Design & Flower Show Procedure

Penny is an NGC Accredited Master Flower Show Judge and NGC Design Instructor, and currently serves on the NGC and Deep South Region Boards. Penny is known for her keen sense of color. She has won numerous top awards in major flower shows, and has been published in both the NGC and FFGC Arrangers calendars, as well as *Designs Made Easy* (NGC), and Wafa's *Flower Arranging the American Way* and *This Glorious Earth*. Her passion for design has taken her to various countries representing the USA at Wafa seminars in Canada, England, Ireland, Barbados and India. Her design was one of two USA designs in the Wafa Boston Flower Show *This Glorious Earth*. Her design ability is only exceeded by her ability to teach. She was the recipient of a top award for floral design education in Massachusetts. Penny now resides in Florida.
