

Penny Pines Donation Form

Since launching a partnership with U.S. Forest Service in 2004, National Garden Clubs, Inc. (NGC) and its various affiliates across the country have collected well over \$100,000 on the local and state level for the U.S. Forest Service's well know Penny Pines program.

These donations are used by the USDA Forest Service or State Forester to replant burnt or otherwise damaged trees in conjunction with federal funds. Seedlings are replacement and/or trees native to that particular area not necessarily of the pine variety. These funds have benefitted 80 national forests in 42 states.

FFGC (and NGC) request donations be made in multiples of \$68. Complete this form and mail it to: Jana Walling, FFGC Treasurer, 2121 Olivia Dr. Tallahassee, Fl. 32308-6164 (e-mail: jipwfl@hotmail.com). Enclose with your check made payable to FFGC.

If you have any questions or concerns, please contact Andrea Finn (FFGC Penny Pines Chairman) 1840 Old Tomoka Rd. Ormond Beach, Fl. 32174-6715 (e-mail finn1840@bellsouth.net).
