

FFGC September Board Meeting  
NGC Landscape Design School  
Susan E. MacPherson, Chair  
September 7, 2022

District IV has offered LDS Course 2, Series 38 in Jacksonville, FL. The Course has been filled and there is a substantial waiting list.

There are two potential local chairs who may have interest in either completing a series or beginning a new one via zoom. I have reached out to both of them and is a process in the works.
