

Landscape Design School Chairman
Susan MacPherson
Tri-Council Annual Meeting
April 12, 2022

There is one Landscape Design School Course 2, Series 38 scheduled for September 28-29 an, in-person classroom venue, in Jacksonville Beach. It will be sponsored by District IV.

At this time, there is potential for a new Course Series to be offered via zoom or possibly as a hybrid. We are looking for a local Chairperson to organize the series.

I am also working with our Regional Accrediting Chair, Linda McClendon, to cross-reference our state records in a continuing effort to make certain that our information is as up to date as possible.

Respectfully submitted,
Susan MacPherson
FFGC LDS Chair
