How to Select which FFGC Award to write from your Garden Club's Programs or Events

www.ffgc.org Members Tab - click to drop down and Awards is first. *Check back often as new awards may be added each year.*

Begin by looking at the Category the award falls under. Read it in detail. Does your program or event meet the criteria?

This handy document will give you an idea before you go to the computer if there is an award title that matches your program or event.

Once you decide on an award to write, download the application form and fill out the top portion. Save it for later when you are ready to start.

But Not ALL:

Remember most awards, **but not all**, are due at the same time. Most are sent to the same place, **but not all**. Most are attention to the Awards Chair, **but not all**.

Make note of exceptions.

Reread the award description in detail. Give the Chair of the Program or Event a list of items you need to complete the Award. Ex. Pictures before and after, Budget and where the money came from. How many were involved in this award, all members, percentage of members, community members?

Leadership

Awards 1, 2, and 3 are judged by An Anonymous Committee appointed by the FFGC President.

A garden club leader is one who accepts responsibility, provides a cooperative spirit and shares honor where honor is due in all phases of garden club work. Each Garden Club and each Federation or Council of garden clubs may nominate one member each year for Awards 1, 2, and 3. Circles may also nominate one member for Award #3.

Special Achievement and Excellence

The FFGC Excellence awards are based on accomplishments during the garden club year promoting Federation aims and objectives. An Anonymous Committee of three judges appointed by the president will consider all entries.
