

**FFGC Floral Design Study **Advanced units 7- 8-9****

**Please register for the Floral Design Study class-limited enrollment of 20 people.  
We have accredited instructors lined up.**

**Time: 8:30 coffee and juice/ 9:00 class starts promptly.**

**Dates:Wednesday, January 25 **Friday, February 18 Unit 8** and **Friday, February 25 Unit 9****

**Location-Emma Lou Olson Civic Center- 1801 NE 6th Street, Pompano Beach 33060**

**Cost-\$40.00 per class. If you attend all 3 classes, the cost is \$100.00.**

**Each class has a 3 hour demonstration/ lecture in the morning. After **lunch-which you provide**-there is a two hour workshop where you will make the design that has been demonstrated in the morning. You provide your own container, material, tools and mechanics. Unit 7 student provides all plant material fresh or dried. Must have Decorative Wood as line. **Unit 8** is a design that interprets a theme "FIRE". Your plant material may include fresh, dried material and/or treated.This class include the elements of design. **Unit 9**, the student provides components to make a creative design. The aim of this class is to teach the compatibility of plant material with the container. Select materials for curved designs and the use of fruit and/or vegetables This class teaches additional creativity and wants you to title your design. These classes are designed to be a continuation of the original 6 units. If you do not already have one, you will receive a "Floral Design Study Handbook"which has further information.**
